

PROFIT MASTERY UNIVERSITY

Creating Value and Building Wealth

Steve LeFever - part comedian, part financial manager, former commercial banker, current entrepreneur and world-class presenter. Steve drives home his message with a no-nonsense, laugh-out-loud approach that makes him the top-rated presenter at virtually every conference he attends.

Driving financial discipline and initiating change in diverse types of organizations can be a big challenge – and in this area, Steve LeFever can do it like no one else. The thousands who hear him speak every year applaud his distinct “tell it like it is” perspective on independent business, financial management, and commercial banking. But it’s his interaction and connection with his audiences that brings his message home.

“This training offers unique and remarkable insights into financial tools that will help owners prosper and counselors offer more effective guidance.”
